

UNLV Office Directions

My office is located on the west side of the UNLV campus. To drive to the office, you will need to use the West entrance to campus (on Harmon near the Hofbrau House and CVS pharmacy). The entrance is at the corner of Harmon and Sewnson. Take Harmon east into the UNLV campus. On your left you will pass the softball field and tennis complex. After passing the tennis complex, you will drive past Tarkanian Way (on the right) and a turn-about (on the left). Turn left into the parking lot after the turn-about and park in the metered parking next to the street. The meters cost \$1 per hour, so bring some change (parking in the “staff” or “student” spots may result in a \$15 ticket). My building is the short, off-white building on the North side of the parking lot (to the right of the Lied Gymnasium). My office is **MPE 115** (MPE = McDermott Physical Education—there are several MPE buildings; mine is the only one not used for PE).

Please refer to the campus map which may also help.
